COMMANDING OFFICER GUYANA DEFENCE FORCE AIR CORPS

Mohinder Ramjag Training Captain SC-7 Sky van, Cessna Caravan, BN2 – Islander, Approved Check Airman and Airline Transport Pilot License holder was born on the 8th March, 1977. He came from a humble, highly respected family in East Berbice Corentyne area and has two other siblings. Lt Col Ramjag would later attend the Berbice High School after which he pursued a military career.

He started his military career in 1995 when he enrolled on Standard Officers Course in the Guyana Defence Force (GDF). This course like his other military courses saw Lieutenant Colonel Mohinder Ramjag displaying a high level of dedication and discipline which in return he was rewarded as the best graduating student, runner –up both overseas and locally throughout his twenty-seven (27) years of service to the GDF.

In 2005, Lieutenant Colonel Ramjag embarked on his aviation career when he attended the Air Service Flight School, Guyana. His hard working mentality, loves for aviation and willingness to serve the nation are the essential factors that are responsible for his present accomplishments. He currently holds an FAA, Guyanese Airline Transport License, with over twenty thousand (20,000) hours flight experiences and multiple type ratings.

Lt Col Ramjag would have held numerous appointments throughout his long and influential military career. Some of the appointments are Platoon Commander 1 Infantry Bn, Company Commander 1 Infantry Bn, Operations Officer, Chief Pilot, Operations Manager and currently Commanding Officer Air Corps.

Lt Col Ramjag is considered a pioneer for young officers and pilots. His contribution to the development and restructuring of the Guyana Defence Force Air Corps and Aviation sector in Guyana is truly remarkable.
